

CITY OF COVINGTON, VIRGINIA

**NOTICE OF EMERGENCY SERVICES CONTRACT AWARD**

The City of Covington, Virginia advertised for an invitation to bid for construction of the emergency storm drain replacement project on Durant Road, near the intersection of Totten Drive.

The Emergency Services Contract was awarded to: Hammond-Mitchell, 155 Dolly Ann, Covington, VA.

The basis for the emergency procurement is as follows:

The failing pipe was near complete failure. The City does not have specific heavy equipment or personnel with the specific knowledge to repair the failing pipe.

The City Manager determined that the public's health, safety and convenience of working drainage were at high risk as a result of the failing pipe. Action was required and the invitation to bid was advertised to replace the damaged pipe in a timely manner. This work was to be completed while VDOT had road closures from 9 am to 3 pm, September 16-19, 2014.

Hammond-Mitchell was selected as the contractor based on its submission of bid for proposal.

THIS EMERGENCY SERVICES CONTRACT AWARD IS HEREBY APPROVED BY THE CITY COUNCIL OF THE CITY OF COVINGTON EFFECTIVE OCTOBER 14, 2014. THIS NOTICE SHALL BE POSTED ON THE CITY'S WEBSITE AND THE FRONT DOOR OF CITY HALL FOR 10 DAYS.

Thomas H. Sibold, Jr., Mayor

Attest:

Edith S. Wood, City Clerk
